Flower Essence

at Heather Faun

We're super excited to share our flower essence with you. When you purchase our flower essence product we will send you an email to chat about your needs so we can specifically formulate an essence that's customized to you. Feel healthy, Get happy! Each Flower Essence comes with an in depth detailed overview that explains each part of the concocted formula and why it was picked for you. Ditch main stream products that are mass produced for the general population.

You're special and you deserve to be treated like it. That's why we're so excited to share our Flower Essence with you, that we've made for you! Are you starting to get it? It's about you. For more details check out: https://heather-faunbasl.squarespace.com/flower-essence-1
